The basics of Medicare

Have questions? We have answers! It's common for people to be confused about Medicare and how they can benefit from it. Simply put, Medicare is a federal health insurance program available to you once you turn 65 or if you have certain disabilities. There are four parts to Medicare coverage.

Part A – Hospital Insurance

Once you turn 65 or otherwise become eligible for Medicare, you can automatically receive Medicare Part A hospital insurance. For most people, Part A has no cost.

Part B – Medical Insurance

Part B covers certain doctor services, other outpatient care, medical supplies and preventive services. Part B has a monthly premium. Together, Part A and Part B are known as Original Medicare.

Part C – Medicare Advantage

Medicare Advantage plans, also known as Part C plans, are offered through private insurers and combine Part A, Part B and often Part D into one plan with more benefits than Original Medicare. **Sharp Health Plan offers a Medicare Advantage / Part C plan.**

Part D – Prescription Drug Coverage

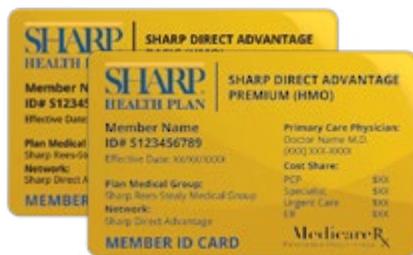

Prescription drug coverage is Medicare Part D. **Sharp Health Plan includes prescription drug coverage as part of its Medicare Advantage plan.**

Your care team

Your care team includes your network, plan medical group (PMG) and primary care physician (PCP), who is your personal doctor. Every Sharp-affiliated doctor associates with one of our medical groups. This means that your PMG is set based on who you choose as your PCP. In most cases, your benefit coverage depends on whether your doctor or the place you get care is associated with your PMG or not — we only cover care you receive from doctors and facilities in your PMG, except in emergencies. Knowing who's part of your team is an important first step to understanding how your health plan works.

Your network

Sharp Medicare Advantage members are a part of the Sharp Direct Advantage Network. A network is a group of doctors, hospitals and other medical service providers associated with your unique plan.

Your plan medical group

A PMG is a designated group of doctors and hospitals associated with your network. You have access to hospitals, specialty care and urgent care centers affiliated with your PMG. It is important to keep in mind that referrals and prior authorizations do not transfer between PMGs. You have access to only one PMG at a time.

Your primary care physician

Your PCP is who you will see if you need a checkup or routine care, want advice about a health problem, or get sick or hurt. Your PCP provides care as soon as you need it, listens carefully and explains things in a way that is easy to understand. Your PCP will also coordinate the care you receive from other providers, including specialists. When you choose your PCP, you are choosing to receive care exclusively from hospitals, specialists, urgent care centers and other providers or locations that are associated with your PCP's PMG.

¹ Subject to medical necessity review.

² Members can go out-of-network with an approved Prior Authorization from the plan.

³ MinuteClinic does not treat all medical conditions, but does provide basic care for minor illnesses and injuries. Your share of the cost for a MinuteClinic visit is equal to what you pay for a PCP visit. There is no copayment for flu vaccinations.

Your prescription drug benefits

Prescription drug coverage is included to help cover the cost of the medications that your doctor prescribes. Our list of covered drugs is called a formulary or “drug list.” You can obtain covered outpatient prescription drugs from Sharp Health Plan-contracted pharmacies located throughout San Diego County. You also have the option of using mail-order pharmacy services for maintenance medications.

What is prior authorization?

Some medications require prior authorization before you can pick them up from a pharmacy. This means a physician must complete a prior authorization request form and submit it with relevant medical information to Sharp Health Plan. The health plan will evaluate the information submitted and make a decision based on established clinical criteria for that drug. This is called a Coverage Determination.

Manage your prescription drug benefits online

As a member, you will be able to view your full pharmacy benefits, locate pharmacies, view costs, refill or request prescriptions, track orders, view prescription history and more.

Filling your prescriptions

As a Sharp Direct Advantage member, you can visit hundreds of local pharmacies and almost all major national pharmacies. Review your Provider and Pharmacy Directory to see a complete list of Sharp Direct Advantage pharmacies. If you get sick while traveling and need to pay for an emergency prescription, you can submit your pharmacy receipt for reimbursement.

Generic vs. Brand-Name Drugs

Term	Definition
Generic Drug	A drug that is referred to by its chemical makeup without advertising. Generics are required to have the same active ingredient, strength, dosage form and route of administration as their brand-name equivalents.
Brand-Name Drug	A drug that has a trade name used for marketing and advertising. These drugs are patented and can only be sold by the company with the patent.

Sharp Health Plan usually does not cover a brand-name drug when a generic is available. If for some reason you cannot use the generic version of a medication, your physician will need to submit a prior authorization (Coverage Determination) request form to request the brand-name drug and explain why you cannot use a generic drug.

Prescription drug mail order

Mail order is a convenient, cost-effective way to obtain maintenance drugs. A maintenance drug is prescribed to treat or stabilize a chronic condition such as diabetes or hypertension. Maintenance drugs are available for a 90-day supply through our mail-order program. Tier 5 drugs are not available through mail order.

CVS Caremark, our mail-order service provider, can mail a 90-day supply of your medication to any address you specify in the United States. Standard shipping is free for prescribed medication orders. Visit sharpmedicareadvantage.com/mailorder or call 1-855-222-3183 for more information on eligible medications and to get an application for mail-order services.

Prescription and pharmacy help is just a call away

Our dedicated pharmacy helpline is staffed by experts who are available to answer your pharmacy and prescription questions 24/7.

H5386_2021 SHC SUMMARY OF BENEFITS

Which doctors, hospitals and pharmacies can I use?

Sharp Health Plan (HMO) has a network of doctors, hospitals, pharmacies and other providers. If you use the providers that are not in our network, the plan may not pay for these services. **Some services may require prior authorization and may require a referral from your PCP.** You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

- You can see the complete plan provider and pharmacy directory on our website at sharpmedicareadvantage.com/find-a-doctor-or-pharmacy, or call us for more information.

How will I determine my drug costs?

Our plan groups each medication into one of six “tiers.” You will use the Sharp Health Plan formulary to determine the tier your drug is on and the associated cost. The amount you pay depends on the drug’s tier and the pharmacy you use. The amount you pay also depends on the benefit stage you are in: Initial Coverage, Coverage Gap and Catastrophic Coverage. Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

- You can see the complete plan formulary (list of Part D prescription drugs) and the Evidence of Coverage on our website at sharpmedicareadvantage.com/druglist, or call us for more information.

If you want to know more about the coverage and costs of Original Medicare, look in your current “Medicare & You” handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY/TDD users should call 1-877-486-2048.

This information is not a complete description of benefits. Contact the plan for more information.

Sharp Health Plan is an HMO plan with a Medicare contract. Enrollment in Sharp Health Plan depends on contract renewal.

Sharp Direct Advantage Basic and Premium (HMO)

Coverage Gap

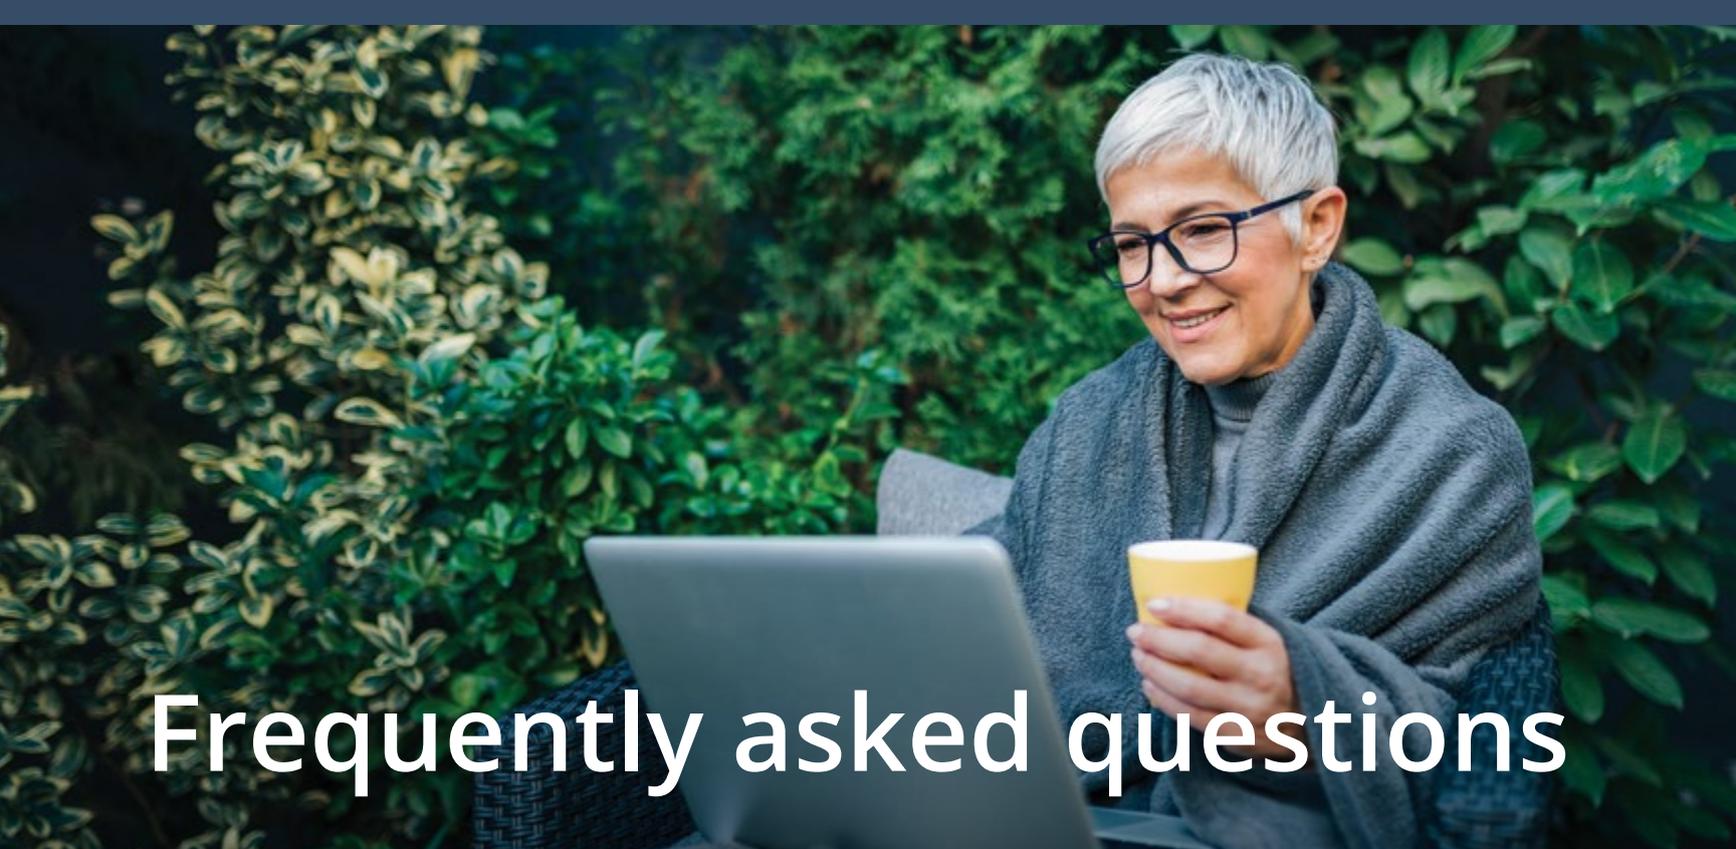

Most Medicare drug plans have a coverage gap (also called the donut hole). This means that there is a temporary change in what you will pay for your prescription drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$6,350.

After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$6,550, which is the end of the coverage gap. Not everyone will enter the coverage gap.

Catastrophic Coverage

After your yearly out-of-pocket prescription drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$6,550, you pay the greater of:

- 5% of the cost, or
- \$3.70 copay for generic (including brand drugs treated as generic) and an \$9.20 copay for all other Part D drugs

Frequently asked questions

Which doctors or hospitals accept Sharp Health Plan?

Sharp Health Plan is an HMO (health maintenance organization) that gives you access to a broad network of local doctors and hospitals. Your primary care physician (PCP) oversees your care and in general, you will need prior authorization to see a specialist.

What is a network?

A network is a group of doctors, hospitals, pharmacies and other medical service providers associated with your unique health plan.

How do I find a doctor? Is my doctor in the network?

To find a PCP or to see if your PCP is in one of our networks, visit sharpmedicareadvantage.com/find-a-doctor-or-pharmacy, scroll to “Find a doctor, hospital or urgent care”, click “Search”, and search for a doctor by medical group, specialty, language, gender, location or last name. Once you select a doctor, notify Sharp Health Plan and call the doctor’s office directly to schedule a visit.

Your PCP will be your main doctor and point of contact who is most familiar with your health history and coordinates your health care. PCPs usually specialize in family practice, internal

medicine or general practice. We have several physician groups from which you can choose your doctor. This group will be your plan medical group (PMG). You receive specialty care and access to hospitals and urgent care centers from the providers affiliated with your PMG.

What is a plan medical group (PMG)?

A PMG is a designated group of physicians and hospitals associated with your network. You have access to hospitals, specialty care and urgent care centers affiliated with your PMG. It is important to keep in mind that referrals or authorizations do not transfer between PMGs, and you only have access to one PMG at a time.

With the Sharp Direct Advantage Network, you’ll find a family of providers close to where you live and spend time. Our network includes Sharp Rees-Stealy Medical Group, Sharp Community Medical Group (SCMG), SCMG Arch Health Medical Group, SCMG Graybill Medical Group, SCMG Inland North Medical Group, and our regional partner Greater Tri Cities IPA. To find out which doctors are affiliated with your PMG, refer to the Sharp Direct Advantage Network Provider and Pharmacy Directory at sharpmedicareadvantage.com/find-a-doctor-or-pharmacy or call Customer Care at 1-855-562-8853 (TTY/TDD: 711).

Are emergency or urgently needed services covered?

Yes. We offer worldwide coverage for urgent and emergency health services.

What do I pay for covered doctor or hospital services?

You only have to pay your plan copayment or coinsurance for visits to an in-network doctor or hospital. If you choose to go to a doctor outside of our network, you must pay for these services yourself. Neither the plan nor Original Medicare will pay for out-of-network services except in limited situations (for example, urgent or emergency care).

Is there a limit to total out-of-pocket spending for the year?

Yes, please refer to page 12 of this Enrollment Guide.

Where can I get prescriptions filled if I join this plan?

You can fill prescriptions for any covered Part D drugs, some of which may be subject to prior authorization, at any network pharmacy.

Are prescriptions covered? Do you offer mail-order service for prescriptions?

Prescription drug coverage is included in Sharp Health Plan to help cover the cost of the medications that your doctor prescribes. You obtain covered outpatient prescription drugs from Sharp Health Plan-contracted pharmacies located throughout San Diego County and the U.S.

You also have the option of using our mail order pharmacy, CVS Caremark (sharpmedicareadvantage.com/mailorder) for maintenance medications.

At sharpmedicareadvantage.com/find-a-doctor-or-pharmacy, you can use our Pharmacy Directory to find a pharmacy near you, learn more about specialty medications that may be available, and find out if a specific drug is on our drug list.

How can I learn if my prescription is covered?

Visit sharpmedicareadvantage.com/druglist, click on "Drug List," then click "Search/View the Drug List" to view our list of covered drugs.

Can I use Sharp Health Plan with a Medicare Supplement plan?

No. Your Medicare Supplement Plan, also known as a Medigap policy, can't be used while enrolled in your Medicare Advantage plan to pay your Medicare Advantage plan copayments, deductibles or premiums. If you want to cancel your Medicare Supplement Plan, contact your insurance company.

What if I'm already enrolled in a Medicare Advantage plan or prescription drug plan?

You will need to keep your Medicare Part A and B and must continue to pay your Medicare Part B premium, if you have one, and it is not paid by Medi-Cal or another third party. You can only be in one Medicare Advantage or prescription drug plan at a time. Your enrollment in this plan will automatically end your enrollment in another Medicare Advantage or prescription drug plan.
