## Paying your plan premium

If we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty), we need to know how you would prefer to pay it. You can pay by mail, Electronic Funds Transfer (EFT), or credit card each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board Check each month.

You can pay your monthly plan premium (including any late enrollment penalty you have or may owe) by mail, Electronic Funds Transfer (EFT), or credit card each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board Check each month.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office or call 1-800-MEDICARE (1-800-633-4227), 24 hours per day, 7 days per week. TTY/TDD users should call 1-877-486-2048.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium for this benefit. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover.

If you don't select a payment option, you will receive a bill each month.
