# Elevate Your Smile

5 ways to make the most of your dental plan

### Visit an in-network dentist.

Your plan offers both in and out of network benefits. However, visit a dentist in the Delta Dental Medicare Advantage PPO Network<sup>1</sup> to save the most money. Find a dentist at **www1.deltadentalins.com/ sharphealthplanmedicare** by using the Find a dentist form.

Seek preventive care. Regular exams and cleanings are available at low or no cost. These services help catch problems before they require costly and extensive treatment.

Blan for major dental work. You can ask your dentist for a pre-treatment estimate before you begin extensive dental work. After we receive your dentist's proposed treatment plan, we'll send you and your dentist a copy of the pre-treatment estimate with your expected out of pocket cost for

Delta Dental Medicare

Advantage PPO<sup>™</sup> Option

covered services, as well as any applicable copayments, coinsurance, deductibles and maximums.

### Talk to your dentist.

From osteoporosis to diabetes, overall health can affect your dental health. Start each visit with a quick chat about any issues.

5 Stay informed. Get tools and tips at our SmileWay<sup>®</sup> wellness library (deltadentalins. com/wellness). Don't forget to subscribe to *Grin!*, our free dental wellness e-magazine.
